

Implementing Azure Infrastructure Workshop Labs

- Click on the link provided by your trainer and register for the lab session.
 - Note it may take a few minutes for the lab to be provisioned
- Once registered you will see a page similar to the screen shot below which will provide you with two things
 - Jump box DNS name, username and password
 - Azure Subscription Username and password
 - Copy these out to Notepad for later use in case your browser closes

✔ Your On Demand Lab is ready (7 hour(s), 58 minute(s) remaining)

Environment Details Virtual Machines

Azure Credentials

Here are your credentials to login to [Microsoft Azure](#) and access the On Demand Lab
